

March 7th to 9th, 2017
Moody Gardens Convention Center
Galveston, TX
www.maritimesecurityeast.com

The Fifth Annual Maritime Security East provides all participants from the military, federal, state and local agencies, ports, critical infrastructure and private industry, a platform to learn and collaborate across different perspectives and jurisdictions to enhance their security operations and advance the U.S. national defense and homeland security missions.

The program will be conducted in three concurrent series of workshops addressing: marine first responders and law enforcement, ports and facility security and cyber security and technologies. These workshops will provide all participants the opportunity to learn and collaborate in an educational and interactive setting. In addition to the workshops, general sessions will occur throughout the program that will consist of keynote presenters and experts addressing critical issues pertaining to all maritime security stakeholders.

Location: Moody Garden's Hotel & Conference Center, 7 Hope Blvd, Galveston, TX 77554, (800) 582-4673, www.moodygardenshotel.com, Call for per diem rate rooms.
